

Dear Prospective Member:

Thank you for your interest in Riverview Golf & Country Club.

Riverview was founded in 1947 and is the oldest and finest private member-owned club in the North Valley. Generations of Redding families have made it their home-away-from-home during those sixty-some years, and continue to do so today.

In addition to excellent golf and superb dining, our Club offers a full calendar of social events, as well as the best banquet facilities in the area. Weddings, anniversaries, and other family occasions are always special events, but are even more so when catered by our highly trained staff of professionals, who are here to serve the needs of the Membership, their families and guests. Also, the view of the Sacramento River, our beautifully-maintained golf course, and the foothills in the distance are unmatched.

We believe that Riverview is both a unique place and a special experience; we encourage you to be a part of it as a member at RGCC.

This packet will answer most of your questions regarding membership in the Club; however, should you need additional information, please feel free to contact our me at 224-2255, extension 203, or email me at beth@riverviewgolf.net. I look forward to meeting you, and giving you a tour.

For the Membership Committee and Board of Directors,

Elizabeth Havsgaard
Membership Director
Executive Administrative Assistant

“Common Questions”

WILL THERE BE A FOOD & BEVERAGE SPENDING REQUIREMENT?

Yes...the Club does require that each membership spend a minimum of \$150.00 per quarter (three months), on Food & Beverage, or to be charged the difference. This amount varies for some other membership categories, and may be adjusted at the discretion of the Board of Directors.

HOW DOES THE CLUB MANAGE ADJUSTMENTS TO DUES and INITIATION FEES?

The Dues paid by the members may be adjusted at the sole discretion of the Board of Directors; however, they may not be increased over 10% in any one year without a majority vote of the membership. Initiation Fees are basically set by the members who are selling their memberships; however, the Board of Directors has the authority to establish limits on the selling procedures, as from time-to-time it feels is necessary.

WHAT IS THE CLUB'S "GUEST POLICY"?

Members may invite "guests" to play in their company, acting as host, and all guests must play with their host unless they have permission to play "unattended" by Pro Shop staff. Guests and local residents may play once per month, to a total of six (6) times per year. However, Non-Proprietary Social Members of the Club are allowed to play as "guests" once per month, to a total of 12 times per year. Guests and Social/Fitness/Tennis members pay daily green fees for golf. Member's out-of-town house guests may play during their visit by acquiring a Guest Pass from the club's General Manager. Daily green fees apply for each round played.

Golf / Tennis / Swimming Pool

GOLF...Riverview Golf and Country Club was established in 1947 and is home to one of the finest courses in Northern California. In the summer of 2001, the Club completed a \$1,400,000 project which included rebuilding all 18 greens to modern USGA specifications. It is a highly rated, well maintained 18 hole course. **Bill De Wildt**, our Head Golf Professional, offers a fine professional staff for lessons and club fittings.

The Club also offers a Driving Range and other complimentary practice facilities. In addition, the Club boasts a wide range of golf-related activities with something for everyone as noted below.

Men... A variety of golfing events are scheduled for your golfing enjoyment: Member/Guest, Redding Pro - Am and the Men's Club Championship are just a few of the tournaments that are held each year. Men's Handicaps are subject to the rules and regulations of the Northern California Golf Association and the USGA.

Women...The Riverview Women's Golf Association (RWGA) is open to any woman having a golf membership at Riverview Golf and Country Club or to any unmarried daughter, 18 years or older, under the sole support of a golfing member in good standing. "Ladies Day" is every Wednesday and you do not need to be a RWGA member to play on Wednesdays. The Ladies Pro-Am, Club Championship, and Ladies Invitational are just a few of the tournaments held each year for the women. In addition, the RWGA schedules special tournament events each month, except for the Winter months; plus they play a series of Home-N-Home events with other area clubs. The Ladies Handicap is governed by the Women's Golf Association of Northern California (WGANC):

Couples...RGCC has a very active "couples" activity schedule, with monthly Sunday afternoon events, followed by dinner and awards. In the summer they schedule nine-hole "Twilight" events followed by dinner, and in October we have the Riverview Mixers, a three-day Couples Invitational event.

Fitness...RGCC now offers our Fitness Room with strength and cardiovascular workout equipment. We also offer weekly **YOGA** classes.

Juniors...RGCC supports a very active and comprehensive Junior Golf program which runs for six weeks during the Summer. The program concludes each year with a parent/child tournament and awards dinner.

TENNIS...Riverview has four outdoor lighted courts available for open play to members and guests. Our program offers year round events for all levels. Clinics, group and private lessons are available through our USPTA Professional **Jack Thompson**. A variety of daytime and evening events encourage member participation. Adult and Junior tennis socials, year round junior program, summer camps and member leagues highlight the tennis club activities.

SWIMMING POOL... A lifeguard is scheduled from 12:00 p.m. until 6:00 p.m. Tuesday through Sunday. Children under the age of 16 must be accompanied by an adult. The pool/patio area is a quiet place to sun and relax. The barbecue/picnic area adjacent to the pool provides a place for group or family gatherings in a casual atmosphere.
